**EXAMPLE**

Scripture teaches that the best way to convert the world is through the active presentation of the gospel message and example. One without the other is futile. Example alone will never communicate what God expects lost humanity to do to be saved. Preaching divorced from example is a hollow shell.

Peter describes the most effective way for a Christian wife to win her unbelieving husband to the Lord. *"...that even if some do not obey the word ... (they) may be won by the conduct of their wives, when they observe your chaste conduct accompanied by fear" (1 Pet. 3:1-2).*

The poet has said:

*I'd rather see a sermon than hear one any day.  
 I'd rather one would walk with me than merely show the way.  
 The eye's a better pupil and much sharper than the ear.  
 Fine counsel can confuse me, but example's always clear.  
 The lectures you deliver may be very wise and true,  
 But I'd rather get my lesson by observing what you do.*
