**PRIORITIES**

Jesus said, "Seek first the kingdom of God and his righteousness and all these things will be supplied" (Matthew 6:33). The danger for most of us in our busy world is not that God is reasoned out of our lives but that He is crowded out.

Film maker Walt Disney was ruthless in cutting anything that got in the way of a story's pacing. Ward Kimball, one of the animators for Snow White, recalls working 240 days on a 4 ½ minute sequence in which the dwarfs made soup for Snow White and almost destroyed the kitchen in the process. Disney thought it was funny, but he decided the scene hindered the flow of the picture, so out it went.

When our lives are replayed in Judgment, will it be as great as it can be? A lot will depend on the multitude of "good things" we need to eliminate in order to make way for the great things God wants to do through us. What in your life needs to go on the cutting room floor?

Our prayers go out to the victims of the recent flooding in Louisiana. The Goodwood Church of Christ in Baton Rouge, LA is the "point" congregation for much of the Flood Relief effort. We are requesting that each family pray for this Flood Relief effort and keep the thousands of people in your prayers that are affected by the flooding. The eldership is asking that you give serious thought about this effort and contribute funds to help these families. The University congregation has always shown an outpouring of love and compassion toward families that have suffered such devastation in the past, and we know that this attitude will also hold true in this request as well, as you give above and beyond your regular contribution. Please make your check payable to the "University Church of Christ," and mark "Flood Relief" on the memo of the check. You may give your check to any of the elders, Allen Austin, Jamie Horn, Everette Johnson, or place your check in the collection. Thank you, the eldership.

**The church office will be closed on  
Monday, September 5, in observance of Labor Day.**
